

Attention Tax Payers of Bremen Township!!!

The Cook County Recorder of Deeds Office has an exciting program for ALL Cook County property homeowners. This program is FREE and is called the Cook County Recorder of Deeds Property Alert Program (CCRD).

The program protects individuals from property and recording fraud resulting from criminals targeting homes – usually ones that are paid off and owned by an older individual and forging ownership documents that they (the criminal) file with the Cook County Recorder of Deeds office. Victims of these crimes often lost their home, which many consider their most valuable investment. This crime can also cost victims enormous heartache and huge financial loses.
