

BOARD OF REVIEW RE-OPENS FOR APPEALS

Responding to the latest property tax crisis, the Cook County Board of Review is open for appeals for all townships for Tax Year 2025, bills to be mailed 2026.

December 3, 2025 Cook County, IL – Today, the Cook County Board of Review (Board) has opened all townships for appeals. As of December 3, 2025 thru December 12, 2025, the Board is accepting complaints from taxpayers that have not already submitted assessment complaints for Tax Year 2025.

Given the hardship that is being caused by the 2024 2nd Installment tax bills, the Board of Review commissioners believe that taxpayers must be afforded every opportunity to make sure their taxable values are fair and accurate. To be clear, the Board's decisions on complaints filed for Tax Year 2025 will be reflected on second-installment property tax bills issued in 2026. For Tax Year 2024, issues like missing exemptions and description errors must be addressed to the Cook County Assessor's Office or your township Assessor's (Bremen).

Bremen township will accept Board of Review appeals until December 12, 2025 and will close at 1:00 pm. Thereafter, tax payer(s) may file online until 11:59 pm at www.cookcountyboardofreview.com

Tax payers seeking a hearing with the Board of Review must indicate their intention(s) on the appeal form.

Please call and schedule your appointment with Assessor Jones office at 708-333-1591.
