

DO I QUALIFY FOR ONE-TIME-ONLY PROPERTY TAX RELIEF?

Between September 29 and October 10, Cook County's new Homeowner Relief Fund will be accepting applications for property tax rebates of \$1,000. Applicants must meet the following Eligibility Requirements:

1. Owners of single-family homes, condominiums or small apartment buildings must have experienced a year-over-year property tax increase of 50% or more in tax year 2021 (paid in 2022), tax year 2022 (paid in 2023), or tax year 2023 (paid in 2024).
2. The combined 2024 income for all members of the applicant's household cannot exceed the Area Median Income. For a single person, the maximum income is \$84,000, and it is \$119,900 for a family of four.
3. The property must be the primary residence of the applicant.

The Homeowner Relief Fund only has enough money to issue rebates to 13,600 households in Cook County. Since it is expected that there will be more than 13,600 households eligible for the program, a lottery will determine who among the qualifying households will receive the rebate.

Bremen Township residents were most likely to have experienced annual tax increases of 50% or more in tax year Bremen Township LAST REASSESSMENT YEAR: 2023 FOR SOUTH, 2022 FOR NORTH. Bremen Township was reassessed in LAST REASSESSMENT YEAR, and many taxpayers experienced significant tax increases when the LAST REASSESSMENT YEAR tax bills came due in calendar year THE FOLLOWING YEAR.

Taxpayers interested in applying can do so online at <https://hrf.cookcountyil.gov/apply>. Applications are not in our Bremen Township office; you must apply online or contact a partnering agency below for assistance.
